DAY 6

Good Friday

for **kids**

Carrying his own cross, he went out to the place of the Skull (which in Aramaic is called Golgotha). There they crucified him, and with him two others—one on each side and Jesus in the middle. JOHN 19:17-18

STAINED GLASS CROSS

Because Jesus was crucified (nailed to a cross) on Good Friday, Christians often make a cross on Good Friday to remember how much Jesus suffered because of his love for us. Have a go at making a stained glass cross and place on a window to remind you how much Jesus loves you.

YOU WILL NEED

Long coloured strips of paper for the cross outline (black or purple would be good for Lent)

Tissue paper in a variety of colours cut or torn into small pieces about 2cm wide

Scissors

Clear ConTact self-adhesive book cover. Cut into pieces about 30cm by 25cm

WHAT TO DO

1. Take one piece of adhesive book covering. Peel off the backing and place it on a work space with the sticky side up.

2. Use the coloured paper strips (all one colour) to stick onto the adhesive book covering and make the outline of a cross.

3. Fill all the space inside the cross by sticking the coloured pieces of tissue paper onto the adhesive book covering. Use as many colours as you like.

4. Use another piece of contact, peel the backing off and stick down over your cross, sticky sides together.

5. Smooth out all over, then cut out your cross around the outside edge.

6. Take your cross home and stick it up on a window.
